Dear sisters,

We write to express our profound gratitude for your continued support to our daughter, Bridget.

Firstly you had accepted our daughter in Grade 10 and started paying for her school fees. Since then the financial and material support you have rendered to her is something that we as parents, cannot afford.

The selection of our daughter to go and attend the World Youth Days in Poland is another successful step in shaping Bridget's bright future.

As a family, we do not have enough words to show our heartfelt thanks to you for the unflinching support to our daughter.

However, as a family, we shall always continue to pray for you so that God may help you, look after your families who you left for only our sake.

During the last days Jesus will say to you,  
"I was hungry, you gave me food to eat."  
"I was naked, you gave me clothes to put on."  
"I was in hospital, you came to see me."

Definitely you deserve great rewards and one is that you will sit on the right side of our God in

A.T.O.
